UN PASO ADELANTE

Los yates HANSE crean tendencias en la construcción de yates. Pero el diseño moderno y elegante de las formas siempre está orientado a la utilidad y la funcionalidad. Nuestros diseñadores e ingenieros siguen sin compromiso el principio de que la forma sigue a la función („Form Follows Function“).

CREATEUR DE TENDANCES

INTERIOR DESIGN

THE FEEL-GOOD FACTOR

The interior is a balanced composition of many components. The room proportions and lighting play an important role, alongside colours, furniture design, fabrics and many special details. When you feel at home on board, we've got everything right!

EL FACTOR DEL BIENESTAR

El interior es una equilibrada composición de muchos componentes. Es importante la proporción de los espacios y su iluminación. A ello hay que agregar colores, diseño de muebles, materiales y cantidad de pequeños detalles. Y si allí dentro se siente usted a gusto, es que lo hemos hecho todo bien.

LE FACTEUR BIEN-ÊTRE

L'équilibre intérieur est une combinaison de nombreux éléments : Les volumes et l'éclairage en sont la condition essentielle. Auxquels viennent s'ajouter les couleurs, le design des aménagements, les matériaux et beaucoup de petits détails. Et si vous vous sentez à votre aise, cela prouve que nous avons réussi.

DER WOHLFÜHLFAKTOR

Das Interieur ist eine ausgewogene Komposition aus vielen Bauteilen. Wichtig sind die Proportionen der Räume und deren Beleuchtung. Dazu kommen Farben, Möbeldesign, Materialien und jede Menge kleiner Details. Und wenn Sie sich darin wohlfühlen, haben wir alles richtig gemacht.

IL FATTORE BENESSERE

Gli interni sono un insieme equilibrato di diversi componenti. Le proporzioni degli spazi e la loro illuminazione sono fattori fondamentali.
